

TUESDAY 8 DECEMBER 2026
FACULTY OF SCIENCE AND ENGINEERING

**Congregation 1
(10.30am)**

The School of Biosciences, Geography and Physics:

Biological Sciences
 Biology
 Biology with a Year in Industry
 Biosciences
 Environmental Drone Remote Sensing
 Environmental Dynamics and Climate Change
 Environmental Geoscience
 Environmental Science and the Climate Emergency
 Geographic Information and Climate Change
 Geography
 Global Biodiversity and Conservation
 Human Geography
 Marine and Freshwater Systems
 Marine Restoration and Conservation
 Physics
 Physics with Particle Physics and Cosmology
 Zoology

The School of Engineering and Applied Sciences:

Advanced Sport Performance Science
 Biomedical Engineering
 Chemical Engineering
 Chemistry
 Clinical Exercise Physiology
 Materials Engineering
 Materials Engineering with Industry
 Materials Science and Engineering
 Medical Engineering
 Sport and Exercise Science
 Sport Psychology

**Congregation 2
(2.15pm)**

The School of Aerospace, Civil, Electrical and Mechanical Engineering:

Advanced Manufacturing Engineering
 Aeronautical and Manufacturing Engineering
 Aerospace Engineering
 Aerospace Engineering with a Year in Industry
 Civil Engineering
 Computational Engineering
 Computational Engineering with Industry
 Computational Mechanics
 Electronic and Electrical Engineering
 Electronic and Electrical Engineering with Industry
 Engineering Leadership and Management
 Industrial Construction Management

	Mechanical Engineering Mechanical Engineering with Industry Power Engineering and Sustainable Energy Space Engineering Structural Engineering Sustainable Aviation Virtual Reality Virtual Reality with Industry
Congregation 3 (4.15pm)	The School of Mathematics and Computer Science: Actuarial Science Advanced Computer Science Advanced Software Technology Applied Data Science Applied Software Engineering Computer Science Computer Science - Joint Research Degree with Université Grenoble Alpes Computer Science and Artificial Intelligence Cyber Security Data Science Mathematics Mathematics for Finance Pure Mathematics Software Engineering
