- 3.3.1. The content and syllabus of the programme where developments in the subject area make that necessary
 - 3.3.2. The timetable, location of the programme and number of classes
 - 3.3.3. The method of delivery of the programme, services, and facilities
 - 3.3.4. The structure and/ or timing of the academic year

Other circumstances outside the reasonable control of the University including (but not limited to) industrial action, severe weather, natural disaster, fire, civil disorder, political unrest, government and/or public authority restrictions, critical concern about the transmission of serious illness or an epidemic or pandemic disease making a programme unsafe to deliver
- 3.5. Changes to Programmes or modules may also need to be made where the minimum number of students needed to ensure a good educational or student experience has not been met. Please note that in some exceptional circumstances, programmes may be withdrawn (prior to commencement) for this reason.
- 3.6. We may from time to time need to make minor changes to the Programme or these Terms and Conditions (including the documents referred to in these Terms and Conditions). Examples of minor changes include (but are not limited to) reasonable changes to the Programme timetable, number of classes/lectures or other teaching activities, how IT or library or other services are provided to you, the methods by which the Programme is delivered or assessed, the content modules or syllabus of the Programme, the location from which the Programme is delivered, procedural changes, changes to regulations, codes of practice, policies and procedures.
- 3.7. Where changes are minor, we will take reasonable steps to notify you of any changes (usually in writing or by e-mail, but this may include updating documents and/or Programme material and making those documents available on the University's website and/or publicising by other means so that you are aware of those changes) and will provide you with as much notice as we believe appropriate in the circumstances. Where possible, we will provide you with notice in advance, but this may not always be possible. The University will also attempt to minimise any disruption to you.

- 3.8. In exceptional circumstances we may need to make major changes to the Programme and/or Terms and Conditions (including the documents referred to in these Terms and Conditions) – these are changes that are not minor and that materially change the Programme and/or these Terms and Conditions. Examples of major changes include (but are not limited to) significant changes to the way we teach, deliver and/or assess a Programme (for example, a significant shift in the balance of assessment from coursework to examination across a Programme), changes to the title of your award or Programme, significant changes to the location of the teaching facilities of your Programme (such as moving the Programme to a completely different location which is not within a reasonable distance of the location at which the Programme was previously delivered) or a decision to merge Programmes or other major restructuring of a Programme.
- 3.9. Where changes are major (that is, they materially change the Programme or these Terms and Conditions), the University will consult with you prior to making the change. Such consultations will take place either through the Student Partnership and Engagement Committee or with individual students affected by e-mail with responses to be sent to Student Representatives for a collective discussion at the committee.
- 3.10. If you do not notify us that you do not agree with the major change we propose making within a reasonable amount of time of being notified (and in any case within 14 days of being notified), we will consider that you are happy to proceed on your Programme on the basis of the relevant change being made.
- 3.11. If you do not agree with a major change we decide to make to the Programme or these Terms and Conditions and you have informed us prior to us making that change that you do not agree with the major change, you may end this contract and you may be entitled to an appropriate refund of the Fees you have paid to the University for services you have not received. We will also seek to offer you a place on an alternative Programme at the University as appropriate.
- 3.12. Usually changes (whether minor or major) will come into force at the start of the next academic year, but some changes may be introduced during the then current academic year or instantly where the University reasonably considers this to be in the best interest of students, is required by law or other exceptional circumstances.
- 3.13. There may also be times that we may need to withdraw the Programme or to merge or combine the Programme with other Programmes. If your Programme is withdrawn, merged or combined with other Programmes or if major changes to your Programme are made after you have accepted your offer, the University will take reasonable steps to give you early notification of the programme withdrawal / those changes and minimise their impact by offering a suitable alternative Programme (if available and subject to you satisfying the entry requirements for the Programme) or helping you find an alternative Programme or university. You will also be entitled to withdraw from your Programme and apply for a refund or partial refund of any Fees you have paid.
- 3.14. Further information regarding our Programme Disclaimer can be found here: <https://www.swansea.ac.uk/study/programme-disclaimer/>
- 3.15. The University will also be entitled to change the Fees in accordance with paragraph 5.2.

- 4.1. The University will assess your fee status based on the information you provided in or with your application in relation to *The Education (Student Fees, Awards, Qualifying Courses and Persons) (Wales) Regulations 2015* in accordance with its Fee Assessment Policy.

- 4.2. If your fee status is unclear from the information you provided with your application, we will ask you to provide further information so that your fee status can be confirmed. In the meantime, your offer will quote both the lower "UK" rate and the higher "International" fee rate until your status is confirmed.
- 4.3. If you disagree with the University's assessment of your fee status, you have the right to ask the University to re-assess in accordance with the Fee Assessment Policy. If you disagree with such reassessment then you may appeal that decision in accordance with the Fee Assessment Policy.

5. Fees and Payment

- 5.1. The Fees stated in your Offer apply for the first year of your programme only.
- 5.2. Fees for International Students and UK Postgraduate (Taught) Students will increase by 3% each year after the first year of the Programme. Fees for UK Postgraduate (Research) Students will increase in each year of Research, in line with UKRI recommendations
- 5.2.1. Fees for Full-Time UK Undergraduate Students may be increased in subsequent years following the first year of study by an inflation-linked increase determined by Welsh Government. For example, if your Fees in Year One are £9,535 and Welsh Government determine that the inflation-linked increase is 3% per year, the University will increase your Fee to £9,821.05 for Year 2 and £10,115.68 for Year 3. We will confirm any such increase with you on a yearly basis and as soon as possible following confirmation by Welsh Government.
- 5.3. A fee may be charged on top of your tuition fee to cover specialist equipment or laboratory costs required for research programmes. If a bench fee is to be charged, the amount will be determined by your supervisor and included in your Offer.
- 5.4. By accepting the Offer, you agree to pay all Fees when due (including any additional costs and expenses such as resit fees). It is your responsibility to make sure your fees and all expenses relating to your programme are paid in full and on time. The University's requirements regarding the payment of fees can be in clause 5.5.
- 5.5. Information regarding fees, including details as to how to arrange payment of your fees, can be found at:
- 5.5.1. [For UK Undergraduates](#)
- 5.5.2. [For UK Postgraduates](#)
- 5.5.3. [For EU/International students](#)
- 5.6. If you are a sponsored student, it is still your sole responsibility to ensure that all fees are paid in full and that your sponsor pays on time any debt outstanding to the University in relation to the fees which belong to you. If your sponsor fails to pay the Fees to us when due, you will be responsible for paying the Fees due.
- 5.7. Unless your offer letter says otherwise, the tuition fee quoted in your offer letter does not include any charges for residential accommodation, repeat periods of study, extensions to the designated period of study, resubmission fees, travelling expenses or any other miscellaneous expenses which may be related to your programme of study (such as the cost of field trips, books and equipment).
- Details of any miscellaneous expenses you are likely to incur on your programme are indicated

on our website for undergraduate programmes at: <http://www.swansea.ac.uk/undergraduate/courses/> and for postgraduate taught programmes at: <http://www.swansea.ac.uk/postgraduate/taught/>

- 5.8. If you have any questions about Fees or require further details about payment of your Fees, you should contact the Finance Team at Swansea University <https://www.swansea.ac.uk/finance-swansea-university/paying-tuition-fees-and-other-information/>. If you have any difficulties in paying your Fees, you should contact the Money Advice Team within the Student Services Department who may be able to help with Hardship Funds and advice (<https://www.swansea.ac.uk/money-campuslife/live-chat/>)

6. Non-payment of fees

- 6.1. If you do not pay your Fees in full or on time, the University may impose penalties which are set out in the Academic Regulations and/or the Student Debt Policy (which include the right to withdraw you from the Programme and end this contract with you if you persistently fail to pay the Fees on time). As a result, you may not be allowed to progress on your programme, or you may be withdrawn from the University. If you have completed your programme, you may not be allowed to graduate and/or your degree certificate / academic statement may not be provided to you until your outstanding fees have been paid. The University may also take legal action against you to recover any unpaid fees, where further costs may be incurred. More information can be found on our webpages: <https://www.swansea.ac.uk/finance-swansea-university/paying-tuition-fees-and-other-information/student-debt-policy/>

7. Deferring your start date

- 7.1. Requests to defer entry to the following year/entry point will be considered on an individual basis. Please note that some programmes do not allow deferred entry. Requests for deferral should be made in writing to the Admissions Office at study@swansea.ac.uk.
- 7.2. The tuition fees stated in your Offer are based on the start date of 2025/26 shown in the offer letter and will apply for that year of study. However, if you subsequently request to defer your entry to the following year, your tuition fees will likely be more than is stated in your offer letter. For UK students this may be due to changes in Government policy. International students should contact the Admissions Office for more information.
- 7.3. If you apply for a place for the following year from the outset, the Fees for the following year might not be available and your offer will quote the current year's fees as a guide. The Fees are likely to increase for the following year, and you will be notified of the correct tuition fee payable as they become available.
- 7.4. By deferring your entry to the following year, you accept that the University may be required to vary the services, facilities, description, content, mode and/or location of delivery and/or timetable of your programme. Should this be the case, the University will notify you of any material variations as soon as reasonably practical and you will have the opportunity to cancel your acceptance (and contract with the University) if you are unhappy with the changes to the programme.
- 7.5. More information can be found on our webpages – <https://www.swansea.ac.uk/media/Deferral-Policy.pdf>

8. Your statutory right to cancel your acceptance

- 8.2. To exercise your right to cancel, you must inform the Admissions Office (email: study@swansea.ac.uk) of your decision to cancel this contract by a clear statement (e.g., a letter by post or email). You may use the model cancellation form at <https://www.swansea.ac.uk/admissions/cancelling-your-acceptance/>, but it is not obligatory. To meet the cancellation deadline, it is sufficient for you to send your communication concerning your exercise of the right to cancel before the cancellation period has expired.
- 8.3. If you cancel your acceptance within the Cooling Off Period, we will reimburse to you all payments received from you without undue delay, and in any event not later than 14 days after the day on which you inform us of your decision to cancel. We will make the reimbursement using the same means of payment as you used for the initial transaction, unless you have expressly agreed otherwise; in any event, you will not incur any fees because of the reimbursement.
- 8.4. If you request us to begin the performance of services (i.e. you are only applying to us very soon before the start of your Programme) during the Cooling Off Period, you shall pay us (and the University will be entitled to deduct) a fair amount which is in proportion to what has been performed until you have communicated to us your cancellation of this contract, compared with the full cost of the programme. Such an amount will reflect the benefit you will actually have received up to the date you notified us of your wish to cancel.
- 8.5. If you wish to cancel the contract after the end of the Cooling Off Period, you will only be able to do so as set out in Section 26.

9. Enrolment and Re-enrolment

- 9.1. - 9.2. If you do not enrol fully by University enrolment deadlines you may be withdrawn from the Programme for non-enrolment. Whilst you will not be expected to pay Fees relating to the Programme after the date of your withdrawal, you will be expected to pay Fees up to and including the date of your withdrawal and will not be entitled to any refund of Fees paid for services provided up to the date of your withdrawal.
- 9.3. If you are withdrawn you will be notified by email that your record has been closed and that you are no longer eligible to continue your studies, access University facilities or stay in University owned accommodation in line with the Terms and Conditions of your accommodation agreement.
- 9.4. If you hold a Tier 4/Student Route student visa, the University will inform the Home Office of your non-enrolment and if this happens your visa will be cancelled, which will subsequently affect you being able to enter and/or stay in the UK.

- 9.5. If you are in receipt of a student loan from the UK government, the University will inform the Student Loans Company of your withdrawal.
- 9.6. If you receive notification of your withdrawal, you may be reinstated within a reasonable period by submitting a Permission to Enrol Form. For more information see:

18. Accuracy of Information

- 18.1. By accepting an Offer, you confirm that the information provided on your application form and in connection with your application is true, complete, and accurate, and that no information requested, or other material information has been omitted. The University reserves the right to establish the authenticity of information provided on and/or in connection with your application and it reserves the right to cancel your application and terminate your contract and/or withdraw you from the University if it determines that false, incorrect, incomplete and/or misleading information has been provided in support of your application by you, by your referee or by any other person acting on your behalf.
- 18.2. The University will seek verification of your qualifications directly from the awarding body or institution. Where this has not been received prior to enrolment with the University, you will be asked by the Admissions Office / Education Services to supply your original degree certificate/official confirmation of the award of your degree before you are permitted to enrol with the University. Therefore, you should bring your original qualification certificates and/or transcripts to University enrolment. The University reserves the right to cancel your application and terminate your contract and/or withdraw you from the University if you fail to provide this documentation (where requested) by the stipulated date.

19. Postgraduate Research programmes

- 19.1. Each postgraduate research degree programme has a normal period of supervised study – the minimum candidature period ('expected end date' in your Offer) – at the end of which a student is expected to submit. There is also a maximum submission date after which a student will be deemed to have run out of time and will not be permitted to submit a thesis ("candidature end date" on your offer letter). At the end of the minimum candidature period the student is expected to have completed their research and to be preparing to submit the thesis. A student must submit their thesis on or before the maximum submission date of their candidature or they will be deemed to have run out of time, and they will not be permitted to submit their thesis and will be required to withdraw.
- 19.2. During your research programme candidature, you will be expected to demonstrate satisfactory academic progress via continuous assessment. You may be required to transfer to a lower-level award programme or withdraw from studies if it is deemed that you have not made sufficient academic progress according to College/School/University progression criteria, research targets, or have not complied with University regulations at any time. Please see [Guide to Research Student Admissions – Swansea University](#) for further information on progression criteria.

For further details on academic progress and lower level programmes/exit awards see the Guide to Progression Monitoring for Research Students [Guide to Progress Monitoring - Swansea University](#)

- 19.3. The University cannot guarantee the availability of the anticipated supervisors named in your offer as the movements of the supervisors are in some cases beyond the University's control. If any of the anticipated supervisors cease employment at Swansea University or are unable to supervise you for any other reason, the University will take reasonable steps to identify and allocate to you alternative supervisors but cannot guarantee that this will be possible. If this is not possible, an alternative area of research may need to be proposed.
- 19.4. In the case where funding is associated with a named supervisor, the offer and funding will only remain valid if that named supervisor remains in post and is able to supervise you. There will be no guarantee that the funding will continue if the named supervisor leaves the University or is unable to supervise you for any other reason. However, the University will do its utmost to assist you, should you decide whether to remain at the University or to transfer to another University with the named supervisor.

20. English Language Requirements

21. Visas and immigration permissions

- 21.1. If you are an international student, you may need a visa to enable you to study in the UK.
