

Fee Assessment Questionnaire: Swansea University Admissions Office

Please complete the following form to help us assess your fee status and send to:

feeassessment.admissions@swansea.ac.uk

Please note that there may be a slight delay at our busiest times, and we will inform you if this is the case.

If you meet the residence and immigration status requirements set out in the Higher Education Regulations 2015 and the Education (Wales) Regulations 2007, you will be eligible to pay a lower 'home' student rate of fee and may be able to obtain an award from your local education authority to help pay all or part of the fee.

Unless you fulfil certain residence and immigration status requirements, UK government legislation allows publicly funded educational institutions to charge 'overseas' student fees to international students.

We would recommend having a look at a useful summary of the government regulations produced by The UK Council for International Student Affairs (UKCISA). These can be found at - <https://www.ukcisa.org.uk/student-advice/find-your-fee-status/>

Information can also be found on the University's Fee Assessment webpage, along with helpful answers to Frequently Asked Questions, brief overviews of the main categories for qualifying for Home fees, and details of how to request a fee re-assessment for Current Students – <https://www.swansea.ac.uk/undergraduate/fees-and-funding/tuition-fees/fee-status-assessment/>
